We have contracts with many health plans to accept an assignment of benefits. We bill the plans that we have an agreement with and we will require you to pay your co-payment at the time of service. If you are in plan for which a referral is required, it is your responsibility to bring a referral with you at the time of service or have your primary care physician forward the information to us prior to your visit. If you choose not to obtain a referral, you will be financially responsible for all services provided by Dr. Blatt.

Your medical records are protected by HIPAA. Your information is important and confidential. Our policies require that your information be held in strict confidence. If desired, please ask for more information.

**Routine vision exams and refractions are not usually covered by insurance with or without a referral. Therefore, payment is due at the time of service. The charge for refraction is $45.00.**

I authorize payment of medical benefits to St Louis Eye Care Specialist, LLC for any services provided by Andrew N. Blatt. I understand that I am financially responsible to the provider for charges not covered by my insurance benefit plan. I authorize the release of any medical information necessary to process any insurance claims or as a means of object to the use of my health information but need to do so in writing.

**Payment is due upon receipt of statement from our office.**

**Patient's who do not show or cancel appointments with less than less than 24 hours notice will be charged a $50.00 fee.**

St. Louis Eye Care Specialists, LLC
Andrew N. Blatt M.D.
Stephen Cusumano O.D.

St. Louis Eye Care Specialists is dedicated to providing you with the best care and service while keeping charges to you at a reasonable level. We ask for your help by understanding and cooperating with our financial policy.

We accept Visa, MasterCard, Discover, Cash or Check as a form of payment. You are required to pay your portion or co-payment at the time of the service, per your contractual agreement with your insurance carrier. There is a $25.00 returned check fee.

We will submit claims to insurance carriers with which we are contracted. You are financially responsible for all deductible, co-insurance amounts, and non-covered services as designated by your insurance company. It is your responsibility to know what is or is not covered by your insurance company.

If you have a routine vision plan (EyeMed or VSP) your benefits for routine eye exams must be used with Dr. Cusumano. Dr Blatt is a specialist; he can only bill exams through your medical insurance. Routine vision exams and refractions are not usually covered by medical insurance regardless of a referral. The charge for refraction is $45.00.

Please bring your insurance card with you to each visit and keep our office informed of any changes in your insurance coverage, address, telephone or employment.

In the case of divorce, we cannot double bill or split bills between divorced parents. The parent who brings the child for service will be responsible for paying for any charges associated with the visit.

We require a 24 hours notice upon cancellation of any scheduled appointment. Appointments not cancelled in a timely fashion will be charged $50.00. This fee must be paid before a new appointment is scheduled.

If your account becomes past due we will take necessary steps to collect this debt. If we must refer your account to a collection agency, you agree to pay all the collection costs incurred. You understand that if your account is submitted to an attorney or collection agency, the fact that you received treatment at our office may become a matter of public record.
